my Dad, then my Dad
took me.

That's the way it used
to be and I always
hoped I'd be able to
take you,
Son.

BRADY'S NEW SEASON TICKET NIGHTMARE

In a move that is *thought to raise less money than Karren Brady earns*, this is how the new season ticket pricing policy is hitting West Ham fans:

- ✖ Inflation-busting price increases all round.
- ✖ No concessions for individual match day tickets.
- ✖ Children forced to pay **FULL** adult prices.
- ✖ Over-66 concessions slashed by 50% and in some bands withdrawn altogether.
- ✖ Children and Over-66's forced into the most inaccessible parts of the stadium - an area where there is severely limited concession availability.
- ✖ Existing friends and family groups are being split up when new concession season tickets are added.
